

The Terror is Almost Here: Terror In The Shadows From Author Lecy McKenzie Pritchett

A new novel promises to prove sometimes the thing that frightens us the most is the one thing we have been looking for all our lives.

(PRWEB) July 20, 2005 -- Coming Soon: Terror In The Shadows, a new suspense thriller from horror novelist Lecy McKenzie Pritchett is almost ready for your reading pleasure! Join in the chills as four couples begin a dream vacation that will soon become a nightmare.

Alicia and her husband, Brad, join six of their friends for a vacation into a mountain wilderness, and she is about to experience life changing horror that only she has foreseen. Alicia has been forewarned that danger will invade the paradise they seek, but she must try to ignore those warnings for they come from somewhere deep within her soul. She follows her husband Brad, and their group of friends, instead of heeding those warning, because no where in her dreams could she have imagined the nightmares they were about to endure. The group soon finds themselves tormented and stalked by four demented brothers, and Alicia will soon find that horror and murder are hidden in the breathtaking beauty that surrounds them. Finding herself alone and tortured, she will soon find the one thing that could be her salvation is the one thing that frightens her the most. Watching her from the shadows is a mysterious stranger that will change her life forever.

A must read, hang in for the spine chilling ending that will prove that sometimes a nightmare is only a dream of things that are meant to be.
